PROFESSIONAL SUMMARY

SAP functional consultant with 11+ years of manufacturing experience, including 10+ years in SAP Production Planning. Experienced in SAP S/4HANA implementation, MTS/MTO planning, master data management, PP-PS and PP-QM integration, data migration, plant rollouts and production support. Works with business stakeholders and technical teams to translate manufacturing requirements into practical SAP processes.

CORE EXPERTISE

- **SAP PP:** MRP, MTS/MTO, production planning, planning strategies, production versions
- **Integration:** PP-PS, PP-QM, MM, SD, FI and SCADA coordination
- **Tools:** SAP S/4HANA, SAP Fiori, LTMC, LSMW, BDC and WRICEF specifications
- **Master data:** Material Master, BOM, Routing, Work Centers, data validation and migration
- **Delivery:** requirement mapping, configuration, testing, cutover, user training and L1/L2 support
- **Industry:** plywood, ceramics and beverages manufacturing

PROFESSIONAL EXPERIENCE

Merino Industries Limited Feb 2024 - Present

Deputy Manager - SAP PP / MDM | Hapur, India | SAP S/4HANA 2022 (S4CORE 107), On-Premise

Supporting MTS and MTO manufacturing across Production Planning, Project System integration and Master Data Management.

- Engage process owners to map manufacturing requirements into SAP PP configuration and MRP processes.
- Coordinate PP-PS dependencies with MM, SD and FI teams and translate requirements for technical teams.
- Manage Material Master, BOM, Routing, Work Centers and Production Versions; support validation and migration.
- Contribute to three plant rollout projects, including data readiness, integrated process validation, cutover and go-live support.
- Provide L1/L2 functional support, SAP Fiori validation and end-user training.

Somany Ceramics Ltd. Nov 2016 - Feb 2024

SAP PP / MDM Associate | SAP S/4HANA, On-Premise | MTS tile manufacturing

Supported the April 2017 SAP implementation and subsequent PP, QM and MDM processes. Employment included Adroit Global Personnel Services and direct Somany employment.

- Worked with business users on MTS planning, MRP and SAP PP process configuration.
- Configured and validated PP-QM integration, batch traceability and quality inspection workflows.
- Created, validated and uploaded master data for materials, BOMs, routings and work centers.
- Provided PP/QM user support, integration testing and user training.

EARLIER EXPERIENCE

SFS Global / Tata Global Beverages
Aug 2015 - Nov 2016

SAP Executive - PP Support | Manufacturing SAP environment

Supported MRP execution, master data corrections and production scheduling while coordinating with MM and SD teams.

Exide Industries Ltd.
Dec 2014 - Aug 2015

SAP SD End User | Manufacturing SAP environment

Handled SAP SD transactions across Sales Order to Billing, Stock Transport Purchase Orders and Purchase Orders.

SELECTED IMPLEMENTATION WORK

- **Merino Industries - S/4HANA 2022, On-Premise:** MTS/MTO production planning with PP-PS integration and MDM. Three plant rollouts covering requirements, master data readiness, SAP Fiori validation, migration, training and post-go-live support.
- **Somany Ceramics - S/4HANA, On-Premise:** MTS implementation in April 2017 across PP, QM and MDM, followed by production planning support, batch traceability, quality processes and user training.
- **SFS Global - SAP support:** Production planning support, MRP execution, master data corrections and integration issue resolution.
